Hi Lisa,

Are you available tomorrow at 1pm MST to discuss our compliance plan for Tucson Iron and Metal? The meeting is being organized by Roshni Brahmhatt and will include the following individuals:

Mark Sims
Diana Lundelius

You may know that PDEQ has a number of open NOV's and R9 has sent a Section 114 letter to the source. The subject of controlling dioxins and florans from the drug incineration process is expected to be discussed.

Please let me know if your available so we can send forward you an invite.

Thank you
